Dee Motors is looking at a way of "paying it forward" or helping someone in need. We are providing a way to give back to those that have supported us over all these years. As of Nov 1, 2016, we will be paying it forward with every vehicle purchase. With every purchase we will set aside $25.00 to give to a local person, family or organization in need of a break or little extra. To support this cause, simple come to Dee Motors for your next vehicle purchase. To be considered as a possible recipient, visit Dee Motors to get an application or go to deemotors.com and fill it out on line. We will choose one worthy recipient or organization every month.

RULES

1. One application per month may be submitted by any one person, group or organization.
2. All applications will be destroyed at the end of each month.
3. A person or organization can only be chosen to receive the monthly gift "once" during a calendar year.
4. Application will be available from the 1st to the last day of the month.
5. Recipient will be chosen and notified on the first business day (M-F) of the following month.
6. If no applications are received, Dee Motors reserves the right to give the monies collected to any organization of their choosing or to simply carry the fund forward to the next month.
7. A 5 person panel will select through open discussion the final 4 applications and they will vote on a winner.
8. No purchase necessary to be selected for the award.
9. Applications must be returned to Dee Motors by last day of the month to be considered.

Please return application by mail, in person (1200 E Commercial, Anaconda, MT 59711) or email office@deemotors.com.
